

For security reason passwords are not sent out by WCPPE staff when users are registered on this site. In order to set your password you need to follow this procedure.

Click on the "Lost Password" link in the login area on this front page (it's immediately beneath the Login button on the left hand side) and follow the instructions.

Later, when changing passwords PLEASE MAKE SURE THAT YOU USE A STRONG PASSWORD. If you need help with choosing a strong password see the [information](#) published on the website.

Please make sure that admin@wcppe.org.uk is added to your anti-spam filter to allow mail through!
