Supporting the NHS workforce during the COVID-19 pandemic

Accredited checking re-certification training programme for pharmacy technicians

This programme will help pharmacy technicians returning to practice during the COVID-19 pandemic and those transferring their skills between workplace settings to refresh their skills, knowledge and understanding.

This will allow them to complete final accuracy checks of dispensed items within patient services and pre and in-process checking within technical services.

Entry criteria

- Current registration with the GPhC
- Previous completion of a recognised ACPT programme
- Access to an educational supervisor (pharmacist or an accredited checking pharmacy technician)

How to access the training:

- Create an account on <https://wcppe.org.uk>
- On receipt of a welcome email, contact HEIW.Pharmacy@wales.nhs.uk to request access to
- 20E12 e-learning.
