Clinical Fellowship in Pharmacy

The Welsh Clinical Leadership Training Fellowship (WCLTF) scheme is a one year programme for pharmacists to gain training and hands-on experience.

Undertaking a leadership and management project from proposals submitted by healthcare organisations across Wales, this is an opportunity to develop knowledge, skills and experience to become an influential clinical leader in a future modern NHS.

Your year will be packed full of opportunities such as;

- practical experience as part of a team in Wales
- develop leadership behaviours and interpersonal skills
- network with influential senior clinical leaders in Welsh Government and other organisations
- gain knowledge of the wider picture of the NHS
- attend relevant national/international conferences
- lead on a healthcare project within your organisation
- academic programme to complement practical experience
- establish links with like-minded trainees across the UK.

Benefits to organisations;

- development of workforce
- service improvement
- networks and collaboration across organisations
- inspired positive engage in pharmacy strategy across Wales.
